NOTICE

Re: Internship for 6(six) months :

During COVID-19 pandemic situation when certain restrictions as disaster management measures continued in the State, and, upon persistent demands by the students, Notice No.409-F/15-2021 dated 19-05-2021 had been issued by the Faculty advising that Clearance Certificates for all such students who had undergone 600 hours of internship be issued to enable the Faculty to process for them the Diploma Certificates and/or Provisional Certificates. Meanwhile, based on the prayers submitted, a number of students have been provided with Provisional Certificates covering 600 hours of internship.

Now, a good number of students of Para Medical Courses of different Institutes, who have already completed 600 hours of internship and have received the Provisional Certificates from Faculty, have been requesting the Faculty for permission to cover up the remaining part of internship for 6(six) months ; some of the Institutes have also approached the Faculty for permission to allow all such students to complete the six (6) months internship.

In view of the above, it has been decided that those students who are now opting to undergo the remaining part of internship to complete six months, are required to submit their prayers first to their respective Institutions, and, get the same duly forwarded, and, then, to submit the same to Faculty office for permission to join the internship.
